<sup>1</sup> The search report for PCT/US02/25488 (WO 03/17040) cited, as an "X" document, on June 23, 2002, a press release, "Webline Communications Unveils New Customer Interaction Software Suite for Enabling Interactive E-Commerce and Customer Service", Business Wire; New York; Apr 20, 1999, pages 1-3. It is suspected that the reference was mis-cited by the PCT search organization, because a press release of the same title and from the same source but of a different date (August 16, 1999, not April 20, 1999) was found. The August 16, 1999, press release is attached.
